6-March-2018

Dear C.H.I.C.O Cluster of Health Innovation and Community Companies,

In cooperation with the C.H.I.C.O Cluster of Health Innovation and Community, and in collaboration with Sandro Pignataro/DASS Network, NAMSA is pleased to offer all companies operating out of the Cluster preferred pricing.

For all laboratory testing, NAMSA will provide a five percent (5%) discount off of the then current NAMSA Fee Schedule.

Furthermore, NAMSA will provide a preferred rate for all clinical and consulting services, to be determined, depending on the project and scope of the study.

This pricing agreement is effective 6-March-2018 and expires 31-December-2019.

Sincerely,

A handwritten signature in black ink, appearing to read "Timothy M Mitchell", written over a horizontal line.

Timothy M Mitchell
Vice President
